## Reflections from Larry Girty: 29 Years of Innovation in Education

As we welcome 2025, I reflect on AGC Education’s journey. Nearly 29 years ago, I joined this company with a passion for technology and a vision to empower educators. Today, we are proud to be a trusted partner for schools nationwide, inspiring curiosity and creativity.

One of my proudest moments is hearing heartfelt testimonials from teachers, administrators, and students about how AGC has impacted their lives. Their stories reaffirm our mission and drive us to keep innovating.

In 2025, we remain committed to our vision: AGC partners with educators to impact the lives of students daily.

Warm regards, Larry Girty General Manager, AGC Education

## PARTNER SPOTLIGHT

**LIVINGSTONE ACADEMY**  
SEFFNER, FLORIDA

This month, we’re proud to spotlight Livingstone Academy for their creative use of AGC Education’s STEMvelope printable STEM activities. These resources have brought hands-on learning to life, fostering creativity and problem-solving among students.

A standout project was the Build-a-Bridge Challenge, where students designed and constructed bridges, exploring engineering concepts and teamwork. Educators shared how these activities transformed classrooms, engaging students in meaningful, real-world problem-solving.

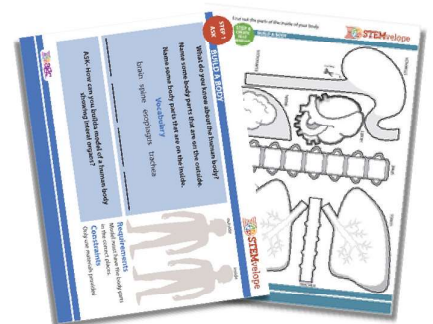

Congratulations to Livingstone Academy for their dedication to STEM education! Your success highlights how tools like STEMvelope can inspire young minds and build brighter futures. We’re honored to support your journey!

## TECH SPOTLIGHT

Discover **STEMvelope**, AGC Education’s printable STEM activities designed to spark creativity and critical thinking. From building bridges to exploring engineering concepts, **STEMvelope** offers engaging, real-world challenges for students of all ages.

Transform your classroom with easy-to-use resources that inspire collaboration and innovation. Let’s build the future, one project at a time!

## TRAINING SPOTLIGHT

### Introducing EmpowR Academy – Launching January 2025

We're thrilled to announce EmpowR Academy, AGC Education's new training platform, launching January 2025. EmpowR Academy will provide educators with step-by-step tutorials, on-demand videos, and interactive modules to maximize the impact of AGC tools in their classrooms.

The platform will debut with a selection of training content, focusing on practical, actionable insights. Throughout 2025, EmpowR Academy will expand with new resources and updates, ensuring it remains a dynamic and comprehensive resource hub. Stay tuned for more details as we roll out this exciting initiative to empower educators and inspire students every day!
