

CLASSROOM Connect

ISSUE 2 | FEBRUARY 2025

February Brings Love, Learning, and New Opportunities!

February is here, bringing an opportunity to celebrate the heart of what we do—empowering educators and inspiring students. As we honor Black History Month, it's a time to reflect on the innovators and trailblazers who have shaped the worlds of STEM and education.

This month, we're excited to share new ways to spark creativity in your classrooms, tools to streamline teaching, and stories of educators making a difference. Whether you're preparing for spring events, refreshing your curriculum, or seeking inspiration, we have something special for you.

Let's make this February unforgettable—together.

PARTNER SPOTLIGHT

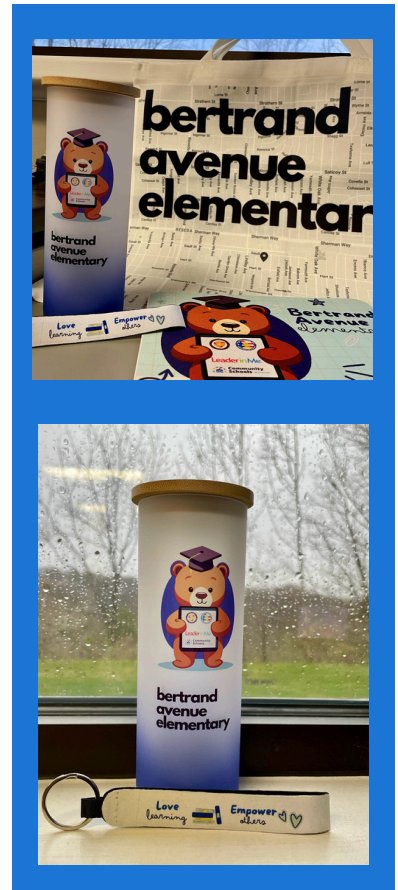

BERTRAND AVE. ELEMENTARY
RESEDA, CALIFORNIA

We're excited to feature Bertrand Ave Elementary, our newest partner in creativity and innovation! The partnership began with a customized sample kit provided by AGC to help Bertrand explore the possibilities of our solutions.

After seeing the options, Bertrand chose to start with the **AGC Sublimation Station** to bring the Leader in Me program to life for students and staff. Collaborating with the AGC team, the school designed a custom canvas bag showcasing a detailed map of the school's location and surrounding streets. They also crafted a tumbler and mouse pad featuring the school's logo, reinforcing their commitment to the Leader in Me program.

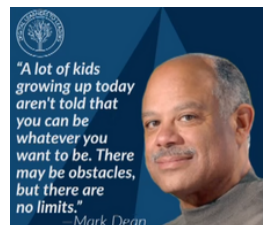

This is just the beginning of Bertrand Ave Elementary's journey to fostering leadership and growth, and we're thrilled to support them every step of the way. Welcome to the AGC family!

TECH SPOTLIGHT

Honor the past, empower STEM's future!

This February, we celebrate Black innovators whose contributions have shaped STEM and the modern world, including Katherine Johnson's groundbreaking calculations for space exploration and Mark Dean's pioneering work on the personal computer. At AGC Education, we're proud to support educators in inspiring the next generation of innovators.

TRAINING SPOTLIGHT

Launching Classroom Harmony Bundles!

This February, we're thrilled to introduce five new **Classroom Harmony Bundles** through our all new **Empowr Academy** (just launching in beta this month)! These bundles offer practical strategies for integrating AGC's tools into all lesson plans, enhancing student collaboration, and maximizing classroom culture & creativity.

Each module includes step-by-step guides for creating visual aids with the **Educator Plus Poster Printer** and designing team projects with the **Sublimation Station**. These bundles support your curriculum goals and empower students by fostering leadership, teamwork and problem-solving.

AGC NEWS

AGC Empowers Creativity at FHJH

Forest Hill Junior High in Forest Hill, LA has transformed its hallways with vibrant posters and sticker wall graphics, thanks to their Educator Plus Poster Printer provided by AGC.

Their designs celebrate achievements, track goals, and promote initiatives like their New Bleachers Fundraiser and their #RelentlessFHJH campaign.

AGC's support has empowered the school to create visually engaging displays that inspire pride, motivation, and connection among students and staff, making a lasting difference in their school community.
