

Welcome to March at AGC Education!

With spring just around the corner, we at AGC believe it's the perfect time to celebrate creativity, growth, and innovation in the classroom. From spotlighting educators who take hands-on learning to the next level to sharing innovative spring projects and tools that make teaching easier and more impactful, we hope these quick reads inspire you.

At AGC, our mission is to **Partner with Educators to Impact the Lives of Students Every Day.** Let's partner together to make the positive impact our kids deserve!

PARTNER SPOTLIGHT

BENSON MIDDLE
ANCHORAGE, AK

Benson Middle Engages Students with **Imagin3D**

Benson Middle School is revolutionizing science education by using the Imagin3D printer to create miniature human skeletons for hands-on learning. These detailed 3D models bring learning to life, enhancing engagement and understanding far beyond traditional diagrams. Students can explore anatomy interactively while gaining experience with cutting-edge technology. Benson Middle's innovative approach demonstrates how 3D printing transforms lessons into interactive and impactful learning experiences.

TECH SPOTLIGHT

Celebrate Graduates with Custom Yard Signs

Celebrating students outside of school has become increasingly important, especially for soon-to-be graduates. Nothing makes this easier or more impactful than using the **Educator Plus Poster Printer** from AGC. Featuring a student's photo, school logo, and a congratulatory message, these full-color, double-sided signs are a standout way to honor achievements.

At just \$6.00 per 18" x 24" sign, including the step stake, schools can produce professional-quality signs quickly, easily, and affordably. Start celebrating your students today and make graduation unforgettable with the **Educator Plus Poster Printer!**

TRAINING SPOTLIGHT

Unlock Spring Creativity with EmpowR Academy

With AGC Education's focus on creativity, growth, and innovation, we are enthused to announce exciting updates to the all-new EmpowR Academy. New modules include inspiring hands-on learning in classrooms, integrating 3D printing, and designing vibrant visuals with the AGC Cut-Out Studio.

The EmpowR Academy perfectly embodies what we mean by "Partnering with Educators." Partnering isn't just about being a technology provider—it's about supporting you and your teachers with ideas, solutions, and resources to make a positive difference.

AGC NEWS

Teacher Resources

March is the perfect time to engage students with National Reading Month, Women's History Month, and St. Patrick's Day! Our latest posters are designed to inspire, educate, and add a festive touch to your learning space.

March-themed posters:

St. Patrick's Day – Bring fun and learning together with cultural insights.

National Reading Month – Spark a love for reading with visuals that celebrate literacy and the joy of books.

Women's History Month – Honor the achievements of inspiring women throughout history.
